Sponsor Partnerships

The Wellness 360 Conference Committee is proud to announce the 2019 conference will be held on Friday, April 12 at the Cleveland Clinic Wellness Center-West.

Last year's conference was a great success, leaving participants wanting more! This year's greatly anticipated conference is themed: **All-Inclusive Wellbeing** which will address all aspects of wellness that influence organizations and individuals personally. The conference will provide a full day of informative, well-known speakers, opportunities for networking, a healthy breakfast and lunch, as well as an excellent selection of relevant exhibitors.

Our new location at the Cleveland Clinic Wellness Center-West is located conveniently off Route 77 in Akron and is the perfect setting for the mission and vision of the Wellness 360 Conference.

Affiliation, through sponsorship, with the 2019 Wellness 360 Conference underscores your organization's commitment to evolving and pertinent health and wellness initiatives designed to keep our work force and families healthy and enhance lifestyles both in the workplace and at home.

Join us in these efforts and together we can advocate for changes in wellness awareness and health initiatives.
