## Sponsor Partnerships

The Wellness 360 Conference Committee is proud to announce the 2018 conference will be held on Friday, April 20.

Last year's conference was a great success, leaving participants wanting more! This year's greatly anticipated conference is themed: **Wellness: Without Borders**. **Wellness: Without Borders** is digging deep into the roots of wellness and addressing all aspects of wellness which influence organizations and individuals personally. The conference will provide a full day of informative, well-known speakers, beneficial interactive breakout sessions, and excellent selection of relevant exhibitors.

We are excited to announce our new conference location for 2018: Holiday Inn Akron West-Fairlawn. The Holiday Inn is conveniently located directly off of Route 77 in Akron and is the perfect setting for the Wellness: Without Borders conference.

Affiliation, through sponsorship, with the 2018 Wellness 360 Conference underscores your organization's commitment to the evolving and very important health and wellness initiatives designed to keep our work force and their families healthy and enhance their lifestyles both in the workplace and at home.

Join us in these efforts and together we can lead the changes in wellness awareness and initiatives.
